Evening Program

Next Meeting October 12, 2017 – Andy Di Pietro: Photo Presentation & Taking Your Own Work to the Next Level

Andy Di Pietro's wood artistry is a culmination of his life-long love for working with wood along with his artistic and engineering skills. Those who meet him for the first time quickly experience his passion and commitment to wood art. Andy's

artworks have gained him world-wide recognition, with both his modern vessel style and his dynamic sculptural series.

Andy will do a photo presentation of his artwork starting with woodworking projects, building his shop to woodturning then wood sculpture. During the photo

presentation he will lecture on good shape & form, anatomy of a tree, grain orientation options and wood aesthetics.

The techniques discussed will not be limited to hollow forms. They can be applied to all forms of turned objects. The intent is to instruct the viewer on how to bring his/her own work to the next level.

He has demonstrated vessel hollowing in many clubs in the North-East region and has exhibited nationally. He has been showcased in many newspaper articles, and the following magazines: American Woodturner, Creative Woodturning New Zealand, and was a featured artist in Woodturning Magazine in England.

Andy has been exhibiting at fine art gallery/ exhibits including: S.O.F.A. Chicago, Grovewood & Xylem Galleries, New Hope Arts, and now he is part of Land Lines at Glen Echo Popcorn Gallery with the Artists' Reception on Friday, October 13, 6 to 8pm.

Wood is one of Nature's most amazing materials and he feels fortunate to work with it. It allows him to utilize his artistic skill and technical background to create beautiful shapes and forms to unlock Nature's inner most beauty.

President's Perspective by Ellen Davis

What makes MCW such an amazing club? Our members! Those that volunteer their time at each meeting, those that work behind the scenes each and every month, the members that attend meetings or skills enhancement or help our Wounded Warriors, and each and every time a member donates a bowl for Beads of Courage or Turning Works is what truly make this club all that it is.

Our December 2017 meeting we will be holding our Annual Election of Officers. MCW needs your help to continue the tradition of excellence that has been established.

Now is the time to step up and run for a position. Volunteer your expertise and passion of woodturning to keep this club running. Do not shy away from this amazing, fulfilling opportunity to support MCW and our members.

Don't just come to our monthly meeting to watch what happens around you, join in and continue to create the robust club we have become.

All Elected Positions are Open – Put your name on the ballot and be counted! There are several positions that will not have an officer if YOU don't run.

Editor's Corner by Stephen Price

I have tendered my resignation as Newsletter editor. The December issue will be my last.

Ellen has asked me to reach out to all of you to start the search for my replacement. If you have any interest in the undertaking please reach out to Ellen or to me. I will be glad to share the tips and tricks I developed.

Meeting Minutes for by Steve Drake

President Ellen Davis called the meeting to order at 7:00 pm, welcoming approximately 29 members and guests.

General Announcements:

- Silent auction has a lot of very nice pieces for sale tonight including some burl.
- Guests – Ken Poirier from CAW and Dan Dutton were visiting tonight. We also welcomed Tessio Rebello as a new member.
- The next meeting is on October 12, 2017 and Andy Di Pietro will be speaking on how he is

transitioning from woodturning into sculpture.

Bring-Back Challenge and prize raffle:

Mike Colella won last month's Bring-Back Challenge and was unable to bring his donation to the meeting for this month's drawing. Gary Geunther won the drawing and will bring something to next month's drawing.

Sad news:

Ellen Davis reported that Jeff Struewing had lost his son, David, in a swimming accident. A card from the membership was passed around for everyone to sign.

Volunteers needed:

Several positions remain to be filled. Specifically, we need a replacement program chairman, a backup Secretary, and another person to take Gallery, Meeting, & Candid photographs.

Turn for the Troops:

406 pens have been turned and another 69 are still outstanding. The November Turn for the Troops demonstration is November 10th, 11th, and 12th and we will need volunteers to assist in the demonstration. There is a preparation session on Saturday, October 28th to get the blanks and kits ready for the demonstration. Please contact Roman Steichen at his new email (3rdgenpenshop@gmail.com) and let him know if you can help.

Turning Works:

Bob Browning is continuing to watch for charities that can raise money by auctioning our bowls. So far, MCW bowls have raised over \$1000 for local charities. We are down to 7 small bowls so some donations from members would be appreciated. Contact Bob directly at suznbob@verizon.net if you have any ideas for other organizations that could use some of the bowls.

Wounded Warrior Program:

The next meeting is scheduled for Friday, September 22nd at 12:30 at the Woodworker's Club. Please check the web site or contact Don Van Ryk at DVANRYK@NIAID.NIH.GOV for more information. Mentors are always needed.

Skill Enhancement:

The September Skills Enhancement session was today and was well attended. The next will be on Sunday, October 15th from 10:00 am - 1:30 pm with the last 30 minutes reserved for lathe maintenance. Contact Matt Radtke at mattradtke@gmail.com to reserve a space at the October session. The dates for the rest of the year are November 9th and December 7th at 2-5:30 pm

MCW Website:

Our website is gathering a lot of complements but we still want to improve it. Please look at the site and see what you would like to recommend. You can forward any recommendations to Ellen and she will give them to Jeff after he has had a chance to deal with his son's funeral.

**Public Library Exhibit:**

Our exhibit is at the Potomac Public Library. Joe Barnard did a wonderful job setting it up but could use a hand if anyone wants to volunteer (barnards@wood-crafted.com).

Facebook Page:

Membership in the MCW Facebook page is almost 60 people now or almost 75% of the club. It is very active with frequent postings and discussions. Check them out at <https://www.facebook.com/groups/194941367515051>.

Activities and Opportunities:

Montgomery County Agricultural Fair:

Tim Aley reported that the fair was a great time and we always had a good crowd. There were a lot of kids excited by the demonstrations. We had one new member join and had several other inquiries about membership.

Turnabout – Women at the Lathe:

Ellen reported that an exhibit of work by women turners is traveling the country. It will be starting at Appalachian Center for Craft in Smithville, Tennessee (January 15, 2018 - March 12, 2018) and will then travel to the AAW Gallery in St. Paul (June 3-July 29, 2018). Online applications for the exhibit will be accepted October 1 through November 15, 2017. More information is available at <http://tinyurl.com/2018turnabout>.

Mid-Atlantic Woodturners Symposium: October 27-29, 2017 at the Lancaster Marriot Hotel. Early registration for the symposium is \$185 at <http://www.mawts.com/> until October 1. After that, it will be \$215. Please watch for additional information at <https://www.facebook.com/MAwoodturners>.

The Center for Art in Wood: 2017 Annual Founders' Fundraiser: Saturday, November 11, 2017. There will be a reception and VIP Tours of Current Exhibitions and of the Museum's Collection with a \$500+ Sponsorship.

Gallery Photography:

Thank you to Mike Colella for taking the Gallery pictures of the Show and Tell items and to Margaret Follas for helping him by moving the pieces.

The meeting adjourned at 9:20pm

--Steve Drake, Secretary

MCW Resources

MCW Hands-on Mentoring Program: Hands-on mentoring is one of the most effective ways of learning turning techniques, tool use, and safety. We all have unique knowledge and ideas to impart. We encourage all Members to sign up to share a few hours of their time and knowledge at the lathe with each other, on a peer-to-peer basis, either in their homes or at Skills Enhancement sessions. We particularly encourage our new Members and beginners to use this opportunity to learn techniques and safety. Please let Ellen Davis know if you would like to participate.

Skills Enhancement: Once a month, we have an open lathe session at WWC, alternating on the Fridays and Sundays after the Meetings, under the guidance of Matt Radtke and Eliot Feldman. Please check the Newsletter and Web Site Calendars for monthly dates and reserve a limited slot in advance with Matt at mattradtk@gmail.com. Everyone shares skills and information, and its lots of fun.

MCW Facebook Group: Ellen Davis has created a Facebook Group just for MCW Members. The idea behind this is to allow you to post pictures of your work, ask questions, and provide another venue for our members to get to know each other better. For our MCW Facebook Group, please click the following link <https://www.facebook.com/groups/194941367515051/> and request to be added to the group. If you do not have a Facebook account and want one, please contact Ellen. We have over 45 Members involved.

MCW Lending Library: Now Free! Books and DVDs are available for borrowing. We have a good selection of video demonstrations and instructional materials from many top professional turners. If you missed a Meeting and would like to see the Program, you can check out the DVD. Please sign the form to check them out from John Laffan. If you have titles out, please return them promptly. There is no charge for this service.

Silent Auction: Not everyone has access to a chainsaw or a band saw, which makes it nice to have access to reasonably-priced, properly-sized turning blanks. Thanks to the generosity of Phil Brown and other Members, our Silent Auction provides this benefit at every Meeting. Please bring your 'road kill' to share with other Members.

Discounts: Steve Drake has assembled a selection of retailers who provide MCW Members with monetary discounts. First and foremost, of course, is the Woodworkers Club, but we have a number of others too. Please check out the list of participating merchants on the Web Site or at the end of each Newsletter.

Web Site: <http://montgomerycountywoodturners.org> Thanks to Webmaster Jeff Struewing we have an outstanding Web Site.

Newsletters: Thanks to new Newsletter Editor Stephen Price, all Members receive the AAW's 2016 *Best Chapter Newsletter* by email every month. Further, the MCW Newsletter Archive, accessible on the website, is a tremendous resource, containing the complete history of all MCW programs and activities from day one, as seen on a monthly basis through the years. All past issues back to

Volume 1, Issue 1 in 2007 are available at <http://montgomerycountywoodturners.org/newsletters/>

Our Hosts: Our most important resource is our space. We are deeply indebted to our hosts, [The Woodworkers Club](#), for their continuing support in sharing their facility with us as we move into our tenth year. Please give Amy, Chris, Matt, and Ralph your individual expressions of appreciation, both verbally and with your wallets. If you need something, they will get it for you, either off the shelves or from the catalog – with no shipping charge.
