

Saturday, November 6, 2021 (1:00 p.m.) – Philip Greenwood – Bark-edge Pot

Philip Greenwood (is that a great name for a turner?) is a delight. Perhaps you watched his excellent demo of an earring stand for Chestnut/Conkers back in March. I was extremely impressed by his teaching skills and the tool use he displayed during this demo of an everyday object, and I sought him out. Phil graciously accepted my invitation to turn for MCW. Tentatively, I have asked him to demonstrate a bark-edge pot for us.

Phil lives in the North Yorkshire area of England, only about ten miles from Castle Howard, where *Brideshead Revisited* was filmed. He started woodturning full time in 1986 and attended craft fairs for more than 12 years. He was accepted onto the Register of Professional Turners in 2006, showing he had reached a very high standard. He has been a woodturning demonstrator since 2008 at clubs and exhibitions. He has published over 60 articles in *Woodturning Magazine*. He likes to work with native timber, sourced locally. His work ranges from utility ware to works of art. He produces small to large items, which he sells at the shop along with his workshop. Phil has a great attitude, to go with his skills, and this is guaranteed to be a fun demo.
