

## **Thursday, June 10, 2021 (7:00 p.m.) – HangOut- III – Just Us Having Fun**

This third edition of *HangOut* will be in our normal June meeting evening timeslot to hold the place for us to socialize, while our later full, normal June Meeting and Demo will occur on Saturday, June 26 at 1:00 p.m. because our June demonstrator is in England, and his clock time runs five hours later than ours.

We all miss the camaraderie and socializing and sharing of our past live meetings, but we can still Hang Out together via Zoom from the comfort of our own homes, with our fave bevs in hand, while we await returning live to WWC. Mike Colella will be the Zoom host, as always. Come when you can; stay as long as you like. Just click in and Hang Out. We will chat. We will share our experiences. We will ask and answer questions. We can give tips. We can show what we are working on directly from our own hot hands. We can joke and laugh and catch up with each other. It's just free-form social time with the woodturning friends you've been missing, and we encourage you all to join in the fun. Normal wood time, normal wood place.
